

## NEWSLETTER MARCH 2009

### 2009 Footy Full On

There is much to look forward to for Geelong Cats supporters as the team has already demonstrated they will be a force again in 2009. In 2009 we will have two opportunities within a fortnight to see our team live in action with the game against West Coast on **June 7<sup>th</sup> and Fremantle on 21<sup>st</sup> June**. The Perth Cats will have functions associated with both matches.

### IMPORTANT NOTICE GFC Games Ticketing

Interstate members of GFC have already received their order forms from the Club for game day tickets in 2009. GFC Interstate members can book tickets (subject to availability) in advance through GFC to **either** one of the games in Perth. The Perth Cats will not be able to provide game day tickets and supporters will have to obtain game tickets through Ticketmaster 2 weeks before the game.

### Newsletters

The time and cost involved in producing and distributing hard copy newsletters is not sustainable when we don't have membership fees. At most there will be one hard copy newsletter produced in 2009 and that will only go to people who we don't have an email address. We need you to use the website for information on our activities. If you don't have email visit the website which we guarantee will be kept up to date.

### Perth Cats Website

The website will be the main source of information for the Perth Cats activities and details of live games to be broadcast at the Hyde Park Hotel or the Inglewood Hotel.
