

2008 Footy Full On

There is so much to look forward to for Geelong Cats supporters after such a magnificent 2007. We only ever wanted to win one Grand Final but now we have had the taste of success we want more – and why not! In 2008 we will have two opportunities to see our team live in action with the game against Fremantle on 25th April and West Coast on 21st June. The Perth Cats will have functions before both matches.
